

Walk the CAMINO *de Santiago*

Open dates available
2026-2027

Embark on the iconic final stretch of the Camino de Santiago with a 5–6 day walking journey from Sarria to Santiago de Compostela. This scenic 111-km route winds through peaceful Galician countryside, ancient oak forests, and charming stone villages. Each day reveals a mix of rolling green hills, historic churches, and the warm hospitality of local cafés and albergues. Highlights include crossing the Miño River into Portomarín, wandering the rural paths toward Palas de Rei and Arzúa, and savoring traditional Galician food along the way. The pilgrimage culminates at the magnificent Cathedral of Santiago, where pilgrims gather to celebrate completing one of Europe's most meaningful and historic routes.
